A repurposed kitchen cabinet could easily be used for additional storage in a living room, especially if the finish suits the aesthetic of the space. But, on top of that, you could actually make a ...

I like to use a floor cabinet as a naos, and the one I have now actually used to be a VHS cassette cabinet which I repurposed when I became Kemetic. It's bigger than it would need to be for a single ...

This cabinet was destined to be a little Day of the Dead box, so I painted it with bright colors: yellow, teal, purple and lime on the outside, and pink and orange inside. All those colors ...

Tibetan shrine cabinets can be used as a focal point in living rooms, bedrooms, or meditation spaces. They add an exotic and spiritual touch to the room while providing storage for small items.

This particular Tibetan cabinet is unusual for its doors to allow the gods to be hidden away. These cabinets (chosham in Tibetan) were more often used in wealthy private homes rather than temples ...
