Meet The Powerrack, The World's Simplest Ground-Mount Solar Installation System Why Choose The PowerRack Ballasted Mounting System? PowerRack System Design Notes PowerRack Specifications The PowerRack was designed with one goal: to make ground-mount solar installations as quick, easy, and affordable as possible. The PowerRack is a ballasted mounting system. By filling the PowerRack tubs with ballast (a heavy material such as sand or gravel) and mounting your solar panels to the frame, the weight of the ballast will provid...
