

Ranking of leading stocks in photovoltaic module panels

Who are the top 20 global photovoltaic module manufacturers?

During the conference, PVBL announced its annual ranking of the top 20 global photovoltaic module manufacturers. In 2024, the global solar module market continued to see the strongest players thrive, with the top four enterprises -- JinkoSolar, LONGi, Trina Solar and JA Solar -- collectively shipping over 320GW and dominating the industry.

What are the key characteristics of global PV module manufacturers?

This report, drawing on the latest developments in the 2025 market, analyzes the key characteristics of the top 10 global PV module manufacturers across four dimensions: technological capability, vertical integration, international presence, and performance in the European market.

How big is the global solar photovoltaic (PV) market?

The Global Solar Photovoltaic (PV) Market was valued at USD 219.3 Billion in 2024 and is projected to reach USD 419.6 Billion by 2030, growing at a Compound Annual Growth Rate (CAGR) of 11.4% during the forecast period (2024-2030).

Who are the leading manufacturers of solar panels?

1. LONGi Green Energy Technology Co., Ltd. LONGi is the world's largest producer of monocrystalline silicon wafers and a leading manufacturer of high-efficiency solar modules.

PVTIME - On 10 June 2025, the PVBL 2025 Global Top 100 Solar Brands rankings and the PVBL 2025 Global Solar Brand Influence Report were unveiled at the 10th Century Photovoltaic Conference in ...

Founded in 1997, the company designs, manufactures, and sells a wide range of photovoltaic modules, smart energy solutions, and solar system integration services. Trina Solar is known for its Vertex ...

Based on the 2025 market shipment forecast and technology analysis, this report provides an in-depth overview of the world's top 10 photovoltaic module manufacturers to help ...

The world's top 10 solar photovoltaic (PV) module manufacturers shipped a record 500 gigawatts (GW) of modules in 2024, nearly doubling the previous year's volume, according to Wood ...

Wood Mackenzie has released its latest "Global Solar Module Manufacturer Ranking" report for the first half of 2025, which assesses solar panel companies on shipments, bankability and ...

In this blog, we profile the Top 10 Companies in the Solar Photovoltaic PVs Industry --a combination of established giants, innovative module manufacturers, and integrated energy solution ...

The top 10 photovoltaic module producers in 2023 Chinese companies not only swept the podium but also took six additional spots in last year's top 10. Leading the pack was JinkoSolar, the ...

Ranking of leading stocks in photovoltaic module panels

Core Data Insights The photovoltaic module industry is currently in a period of deep adjustment. Overall, the Matthew effect of "the strong getting stronger" is intensifying, while the entire ...

Wood Mackenzie has released its PV module manufacturer rankings for the first half of 2024. "Despite facing significant challenges, including unprecedented price declines across solar ...

Explore the top 10 global PV module suppliers of 2024. JinkoSolar leads with 92.9 GW, followed by LONGi, JA Solar, and Trina -- the new "F4" giants.
