

Solar Power Plant Ranch

The California Valley Solar Ranch (CVSR) is a 250 megawatt (MW AC) photovoltaic power plant in the Carrizo Plain, northeast of California Valley. The project is owned by NRG Energy, and SunPower is ...

OverviewProject overviewPower Purchase AgreementEnvironmentIncidentsThe California Valley Solar Ranch (CVSR) is a 250 megawatt (MWAC) photovoltaic power plant in the Carrizo Plain, northeast of California Valley. The project is owned by NRG Energy, and SunPower is the EPC contractor and technology provider. The project constructed on 1,966 acres (796 ha) of a 4,365-acre (1,766 ha) site of former grazing land. It is utilizing high-efficiency, crystalline PV panels designed and manuf...

Learn about our cross-industry study--including experts representing academia, government, agriculture, and technology--to co-locate cattle ranching with utility scale solar. To expand our ...

7V Solar Ranch Solar PV Park is a ground-mounted solar project which is spread over an area of 800 hectares. The project generates 560,000MWh electricity and supplies enough clean ...

Silicon Ranch and Meta are bringing a new 100-megawatt solar power plant to South Carolina, along with a land stewardship plan.

Pacifico Energy's GW Ranch project is an off-grid power generation campus in West Texas, purpose-built for hyperscale data centers and the next wave of AI innovation.

DeSoto County's fourth FPL solar project. The 74.5 MW solar site generates enough solar energy to power about 15,000 homes nd is part of FPL's rapid solar expansion. FPL is proud to have a total of ...

Silicon Ranch, in partnership with Central Electric Power Cooperative and Meta Platforms, are developing a 100 MW solar farm in Orangeburg County, South Carolina, to power Meta's first ...

The Coyote Creek Agrivoltaic Ranch would bring a 200-megawatt solar farm and a 100-megawatt battery system to roughly 2,700 acres east of Rancho Cordova, along Scott Road near ...

California Valley Solar Ranch is one of two solar power plants in the high and dry Carrizo Plain of Southern California. Construction started in 2011, and was complete in 2013, with the installation of ...
